Ricky Greenwood is the director to keep your eye on this year! The adult auteur made a huge impact with Confessions Of A Sinful Nun in 2017, earning several AVN Award nominations, and is returning to the story this year with the sequel in a projected erotic trilogy.

A film buff, Greenwood grew up on story-driven porn and exploitation films, which has dramatically influenced his particular brand of smut for a whole new generation. Fans of retro-style porn have finally found their hero!

Ricky Greenwood is the director to keep your eye on this year! The adult auteur made a huge impact with Confessions Of A Sinful Nun in 2017, earning several AVN Award nominations, and is returning to the story this year with the sequel in a projected erotic trilogy.

A film buff, Greenwood grew up on story-driven porn and exploitation films, which has dramatically influenced his particular brand of smut for a whole new generation. Fans of retro-style porn have finally found their hero!
Starting her career in adult film in 2017, Ivy Wolfe kicked it off with a bang, er, make that a couple of bangs, in her first threesome, one that she still fondly remembers as her best. Since then, she’s done it all: family roleplay, BDSM; you name it, this girl is into it and isn’t afraid to show it!

The fresh-faced cutie has definitely become the next big sensation in adult entertainment, as evidenced by receiving the 2019 AVN Award for Best New Starlet.
If you were to look in the dictionary for the definition of MILF, you’d probably find a picture of Julia Ann next to it. Think I’m kidding? This curvy blonde has been making dudes cream their jeans and the girls gush since her start in adult films in 1992 and has the awards to prove it.

Beyond performing, this MILF of all MILFs also maintains a website of erotica for women as director and producer. You just can’t keep a vivacious legend down!
